Attachments: NOTIONAL DRAFT AGENDA FOR ITALY.docx

Michelle/Samantha,

Per your request, attached is a notational draft itinerary for the Administrator's trip to Italy. It is an outline of proposed meetings and events - the details will need to be flushed out with our Italian host and the U.S. Embassy. We have scheduled a call with U.S. Embassy on Friday and will also contact the Ministry for Environment to confirm the dates and start filling in the details.

I can discuss this with you further tomorrow. Thanks.

Jane

Hey guys one thing that SP did mention to me was getting the dates firmly locked in for the Euro trip because he wanted to be able to book flights for McKenna, Marlyn and Cade this week before costs go up. Is there any way to lock in the dates?

Hi Gail,

Yes, please use the DS-82 for an official passport. It would also help if someone could provide a brief description of the purpose of travel to Canada. Thanks.

Subject: Passports....

I spoke to Millan Hupp this morning in reference to the passports and it seems the Administrator has to retake pictures tomorrow. So with that said I will bring everything over tomorrow. Also, I think we should go ahead and get official passport for Millan as well since she is his advance staff. Please let me know if the link that you sent is for official passports as well so that I can send it to her.

FYI, looks like the Administrator is trying to go to Israel and Italy in June and Canada in May per my conversation this morning. So I will stay on top of everything for you. Thanks for all of your help!
